Well, the long, hot summer is over and morphed into a wonderful mellow September. We do hope you all enjoyed the season however you spent it.

The first season of the Station House Museum/Art Gallery was a great success! 667 people (from most of the Canadian provinces but also Kiev, Rotterdam, Melbourne, Nigeria, New Zealand etc.) visited from June 1-Aug. 30, leaving \$620.25 in donations.

Comments in the visitors' book included: 'Very impressed', 'beautiful models', 'awesome', 'wonderful tour guide'. The Vernon Model Railway Club is to be commended for the exciting display which caught the imagination of new visitors to Vernon and made residents of all ages appreciate the rich history we have here. Val Heuman thanks all the fantastic Tour Guides and hopes they are as proud of these achievements as she is!

The Museum will be available through the winter for group tours pre-booked with Val at [250-308-4830](tel:250-308-4830) or e-mail heuman@shaw.ca.

The OKLDCA is the happy recipient of a sizeable donation from the past Okanagan Landing Volunteer Fire Department. The money will be used primarily to replace the flooring in Paddlewheel Hall. Stand by for a press release in the Morning Star!

Spring bulbs are soon to be planted in the Station House garden in memory of Ms Jayne.
