

OKANAGAN LANDING AND DISTRICT COMMUNITY ASSOCIATION
NEWSLETTER APRIL 2013

Finally, it's starting to feel a bit more like Spring in the Landing! Here's a run-down of what's been going on 'down at Paddlewheel Hall' since Christmas.

On February 13th, City officials followed up on a previous **Traffic Calming** meeting by inviting residents to view plans of suggested measures that could be taken. Further input was welcomed both verbally and in writing.

Our second **Coffee House** was held on February 22nd. Landing residents, friends and family members enjoyed an evening of socialising, good music and desserts. Thanks to our musicians led by Phil Kowalski and Dave with Two Left Feet band.

On March 27th we hosted a **Town Hall Fire Services Informational Meeting**. Vernon Fire Rescue Services presented how fire services will be provided in the Landing area.

The Board of Directors, headed by President Ron Heuman, met at the hall on April 9th for a **Visioning Day**. The demographics of the Landing area have changed considerably over the last few years, and we need to adapt to those changes as we move forward.

Maintenance and improvements to the interior of the hall are an ongoing process, while outside a good deal of pruning back of the trees/shrubs lining the parking lot has been completed. As always, thanks to the Monday morning volunteer crew for their hard work!

You will notice that construction of a new park washroom building is almost completed, and landscaping of the old custodian trailer site is underway.

Station House Update: Val Heuman, our 'project manager' is close to getting our "Occupancy Permit". The train model is close to completion and it is a 'beauty'. Look for more news on this major achievement.

NEXT EVENT! COMMUNITY GARAGE SALE! SAT. APRIL 20th 8:00 – NOON. 40 tables of 'treasures' for your pleasure! Hot dogs/coffee available.

Weekday Hall Use:

We are pleased that the hall is now in use every Monday and Thursday for Bridge Club, but it still sits empty most Tuesdays and Wednesdays.
