Okanagan Landing & District Community Assoc.

President's Message

Greetings fellow OKLDCA members! Wow another year has passed and I have been your President for two years already. Thankfully we have a very supportive and energetic Board deeply interested in keeping our community Association vibrant.

Monday November 17th we hold our Annual General Meeting While we (the Board) encourage member participation for all our activities we most certainly encourage members to take the time to support us by coming out for the AGM. As our general society evolves towards "social media" there seems to be a lesser commitment to local community involvement.

Yet, surprisingly, whenever we hear politicians speak it is about family and community! With member participation we can show that our Association is strong and actively involved in ensuring that our community truly serves our interests and meets our needs !

Looking forward to meeting you at the AGM.

Ron Heuman

Next Meeting: November 17 at 7:30 PM
